

PASSION:

What Is My Driving Desire?

Passion: The willingness to suffer or endure; something to work for no matter the cost

THINKING DEEPER

What is the one thing you are most passionate about? Why?

LOOKING DEEPER

1. Read your THINKING DEEPER entry. What are you willing to give up (sacrifice) to keep your passion? Is it worth the cost?

2. Read Philippians 2:5-11. Discuss the passion and sacrifice in this passage. Who benefits the most from them?

3. Be honest. How passionate are you about your walk with Jesus?

4. What are you going to do about it?

GOING DEEPER

Reflect on the four sessions of *ESSENTIALS*. Write down something that impacted you from each session. How will you share them with friends & family?

As you read Bible or devotional passages, ask two question every time: 1) What sin is being revealed in my life? 2) What promises am I missing because of sin? Use the promises of God to “light a fire” in you to live passionately for Christ!
